

By PeopleGrove

All Your Events in One Site, Both In-Person and Virtual

Whether you're hosting small-group info sessions with Zoom Meetings, or large-scale seminars with Zoom Webinars, PeopleGrove Events simplifies registration and attendance data tracking with our no-cost Zoom integration.

The Perfect PeopleGrove Complement

- Screencasting. Chat. Q&A. Polling. Zoom leaves little to be longed for.
- Adding these to the registration, attendance, and payment tools provided by PeopleGrove Events, and you've got the perfect one-two virtual events power punch.

Better Together

- Create your virtual events in the site where your people already are.
- Use PeopleGrove's built-in email marketing tools to get the word out.
- Integrated attendance tracking automatically brings Zoom data back into PeopleGrove for centralized reporting and follow-up.

Sold Separately, Delivered Jointly

- Purchase PeopleGrove Events inside GroveConnect: Apps and Integrations Marketplace.
- Enable the no-cost Zoom integration inside GroveConnect: Apps and Integrations Marketplace.
- Requires partners to have a Zoom Meetings and/or a Zoom Webinars account of their own.

Example Uses

- **Industry-specific Networking Lunches**
Recurring Zoom Meetings with Breakout Rooms for alumni around the world to meet other alumni working in their industry.
- **Small Group Info Session with Debra Willis**
A bulk-mentoring Zoom Meeting between a well-known alum and 4-5 students.
- **Careers in STEM, a Webinar Series**
A recurring Zoom Webinar event featuring successful alumni working in a specific industry.
